filed a complaint against the Burlington, claiming \$1472.97 reparation for alleged excessive charges collected on shipments of straw from St. Joseph and other points to Quincy and Peoria, Ill. Prior to August 21, 1912, the rate from St. Joseph. Kansas City and other specified points was 15 cents per 100 pounds to Quincy and 17½ cents to Peoria. On that date a rate of 8 cents to Quincy and 10½ cents to Peoria was established from Cameron, Mo. The Schreibers contend that a rate from St. Joseph and Kansas City also should be reduced to these figures.

County Employs Attorney to Help Collect Shortages.

Belleville, Feb. 14.—During the year 1912 the commissioners of Republic county employed a St. Louis firm to audit the books of the county officers for a period of about seventeen years back. Some shortages were found in the offices during that time, part of which were promptly paid, while some of the ex-officials have withheld the payment of the alleged shortages up to the present time. Realizing that the audit entailed considerable expenses to the county, the present board is disposed to push the matter to completion at the earliest possible date. Accordingly they have employed a local attorney to assist the county attorney, H. H. The Evers-Murphy affair was a bad shock to organized baseball but it was a case of dog eat dog as long as he and Murphy were associated with each other. Both are known to be thirty-third degree crabs but it don't appear that conditions have been improved in Chicago, with Hank O'Day on the job. This affair enabled the Federal press space and will probably help their cause to a certain extent.
